Response to Special Notice Letter

Dear Dr. Evison:

I write in response to the Special Notice Letter sent to Cooper Industries, Inc., which I received on June 13, 1995. Cooper Industries is willing to participate in negotiations with U.S. EPA regarding the performance of remedial activities described in Mr. Muno's letter. Both Christopher Smith and myself will be present at the initial settlement conference to be held June 28, 1995.

Very truly yours,
